Tertiary Education Quality and Standards Agency

Study support is available here.

Illegal academic cheating services often pretend to offer students study help.

But using these illegal services can put your academic integrity at risk – and the criminals behind them are known to blackmail students.

If you're struggling with your assessments, ask the staff at this institution about support that is available.

Remember: You can report illegal cheating services at teqsa.gov.au/cheating

CHEATING is NEVER
the RIGHT ANSWER
