

# CHEATING is NEVER the RIGHT ANSWER

Commercial academic cheating services are illegal in Australia.

If you use cheating services, you could:

- fail your subject or course
- lose your visa
- lose your professional accreditation
- be blackmailed by cheating service operators.

If you are having trouble with your assignments, contact your lecturer or tutor for help.

Visit [teqsa.gov.au/cheating](https://teqsa.gov.au/cheating)  
for more information.
