

# TEQSA published decisions report

April– June 2020

*The Tertiary Education Quality and Standards Agency (TEQSA) is responsible for regulating Australia’s higher education providers to protect and enhance Australia’s reputation for high quality higher education. TEQSA has published a summary of its regulatory decisions from 1 April 2020 until 30 June 2020. The report is available at: [www.teqsa.gov.au/national-register](http://www.teqsa.gov.au/national-register)*

## What are TEQSA decisions?

Each week, TEQSA makes regulatory decisions. These may be on the registration of new providers or the re-registration of existing providers. For the providers that do not have the power to accredit their own courses, TEQSA also makes decisions whether to accredit or re-accredit their courses. There are many legal, compliance and quality assurance measures which a higher education provider must demonstrate in order for TEQSA to allow a provider entry to Australia’s higher education sector.

In order to make these decisions, TEQSA must be satisfied that a provider complies with the *Tertiary Education Quality and Standards Agency Act 2011* (TEQSA Act) and the Higher Education Standards Framework, the standards framework underpinning the TEQSA Act.

TEQSA’s regulatory approach is standards and principles-based. It is guided by three regulatory

principles: regulatory necessity, reflecting risk and proportionate regulation, when exercising its powers. TEQSA’s regulatory decisions are taken by its Commission, or by senior members of TEQSA staff under delegation from the Commission.

More information about TEQSA’s approach is available at [www.teqsa.gov.au/our-regulatory-approach](http://www.teqsa.gov.au/our-regulatory-approach).

## Where do I find more information about TEQSA’s decisions?

Detailed public reports on individual decisions are available on the National Register of higher education providers at [www.teqsa.gov.au/national-register](http://www.teqsa.gov.au/national-register).
